Block A Has Been Topped Off; Excavation and Structural Works in Block B On-Going

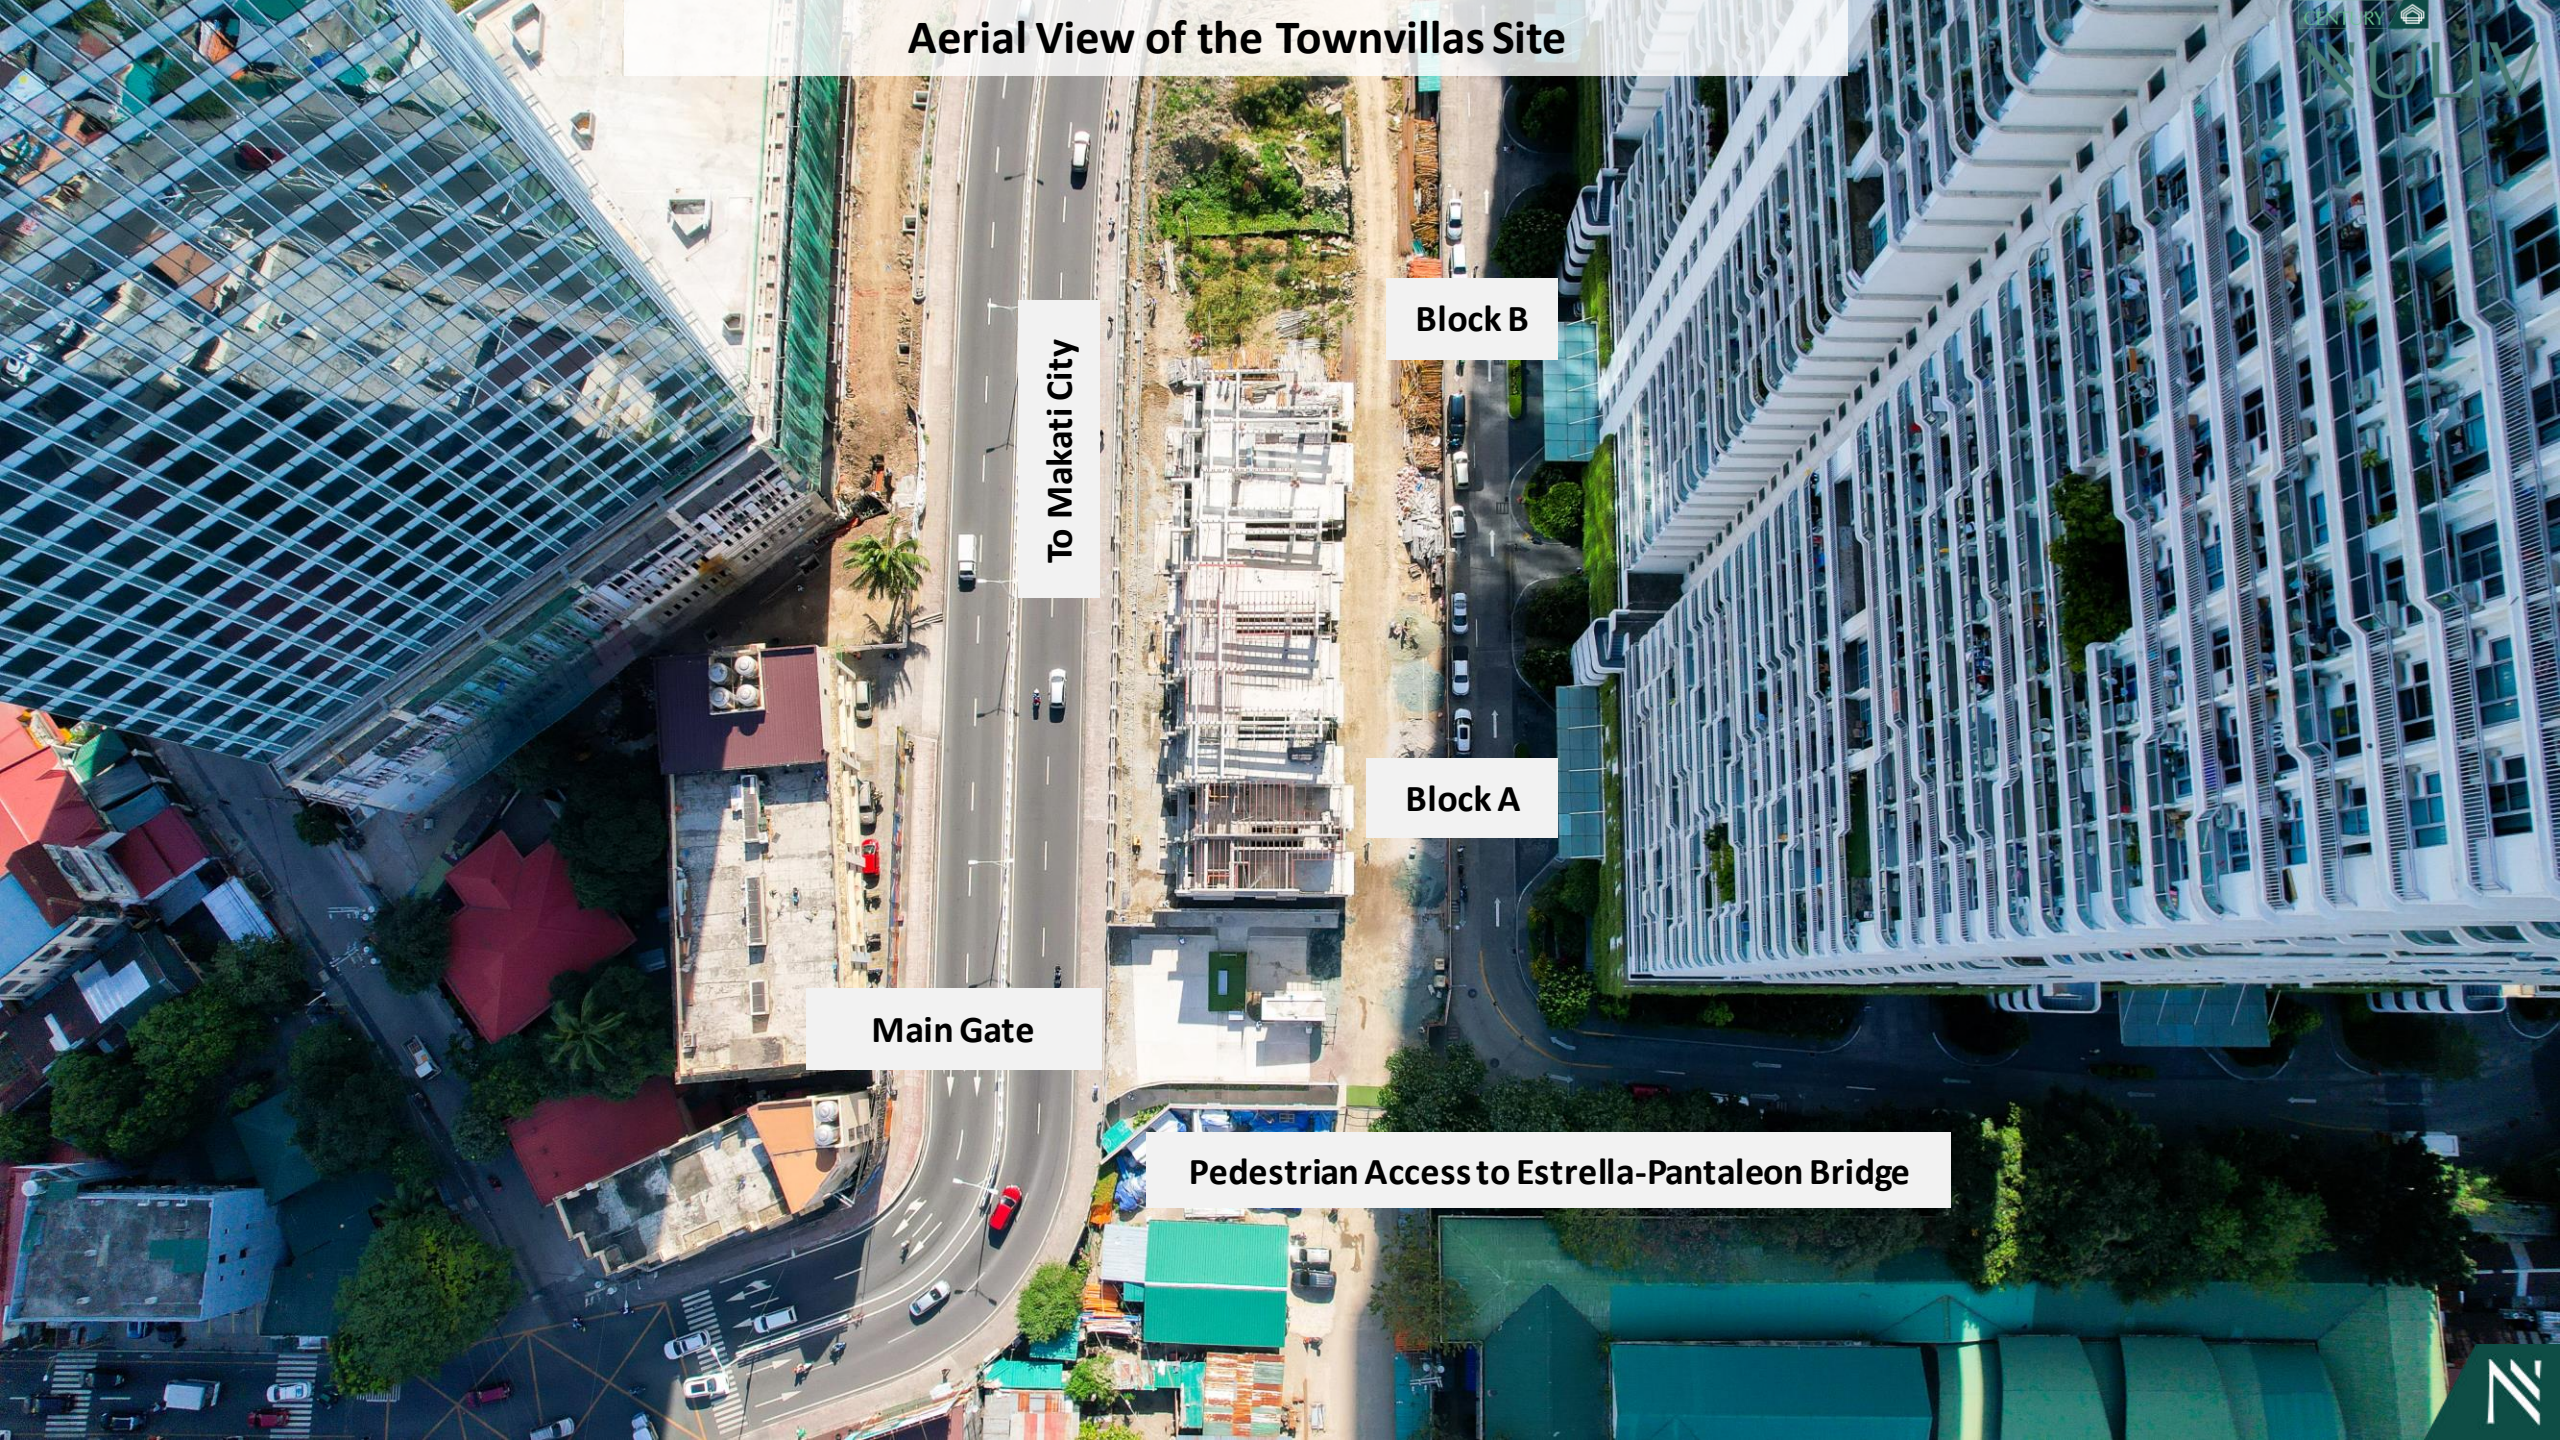

As of January 20, 2024, Century NULIV Townvillas at Acqua has reached 43% in construction progress. Block A has officially been topped off last December 22, 2023, and had its Topping-off Ceremony last January 17, 2024.

The guard house at the main gate facing the Estrella-Pantaleon Bridge is already constructed, ensuring security within the development. Additionally, the temporary pedestrian access to and from the Estrella-Pantaleon Bridge has been opened to the Acqua community, seeing around 400 daily foot traffic.

All units within Block A have reached the 3rd and 4th floor and is nearing completion of its structural works. The project is on track with schedule, targeting to achieve full land development for Block A by end of July 2024. Excavation and structural works at Block B has commenced. Target completion for Block B is by June 2025.

Situated in Mandaluyong City, a bridge away from the Makati Central Business District, Century NULIV Townvillas at Acqua constitutes a total of 22 homes, offering two configurations: Rhine (three-storeys; 227 sqm ave.) and Seine (four-storeys; 312 sqm ave.) units.
